

Chapter 7 Vocabulary
Exponential and Logarithmic Functions
Algebra 2

1. Exponential function
2. Exponential growth function
3. Growth factor
4. Asymptote
5. Exponential decay function
6. Decay factor
7. Natural base e
8. Logarithm of y with base b
9. Common logarithm
10. Natural logarithm
11. Exponential equation
12. Logarithmic equation
